Level 1 Award in Plastering

Location	Stockport Campus
Duration	The evening course runs on Thursday. Teaching sessions start at 6pm and end at 9pm for 14 weeks.
Full/Part time	Part-time
Department	Construction

Course Overview

The course is designed for those wishing to gain an understanding of basic tasks and theories within plastering. The course will provide you with knowledge of:

Tool manipulation

Applying floating coats to walls

Installation of plasterboard

Applying setting coats to plasterboard

Mixing and applying lightweight plasters to backgrounds

Mixing and applying settings coats to solid backgrounds.

Course Requirements

No specific qualifications, previous learning or experience is required.

However, basic literacy and numeracy skills are an added advantage. In addition candidates should have the ability to read write, organise and interpret written tasks in English.

An initial assessment of each candidate will be made before the start of the programme to identify candidates that have any specific training needs support, credit they have accumulated and the appropriate type and level of qualification.

There will be an induction programme so the candidate fully understands the requirements of the qualification[s], their responsibilities as a candidate, and the responsibilities of the centre. This information will be recorded on a learning contract.

Course Progression

Potential progression to level 1 and level 2 Plastering programmes.

Course Assessment

There is no formal examination; but tutors will continually assess your development needs throughout the short course.

Course Additional Information

Part-time
