

# ARE YOU

STOCKPORT  
COLLEGE

# COLLEGE READY?

## What is EAL Level 2 Engineering Technologies?

Do you have an interest in the physical world and how things work as well as technology and new developments? Do you love problem-solving and have an aptitude for maths? Our engineering course will meet all of these needs and more!

## Research to help you with your course next year

Watch one (or more!) of the documentaries below about the feats of engineering:  
Available on YouTube, UKTV Play or Netflix.

SEVEN WONDERS OF THE INDUSTRIAL WORLD

MECHANICAL MARVELS:  
CLOCKWORK DREAMS

IMPOSSIBLE ENGINEERING

Read the following PDF  
on the Engineering  
Technologies Qualification  
Specification.

QualSpec\\_601-5669-7.pdf](https://eal.org.uk/images/QualSpec_601-5669-7.pdf)

Use the following websites to develop  
understanding of Engineering Sector:

- [engnity.org](http://engnity.org)
- [www.insitetechnical.com](http://www.insitetechnical.com)
- [www.theengineer.co.uk](http://www.theengineer.co.uk)
- [www.engineeringuk.com](http://www.engineeringuk.com)

## College Ready Tasks

### TASK 1

Research a range of job roles within this field such as CNC Machinist, CAD operator or Mechanical Technician.

### TASK 2

Explain what a "multi-disciplinary approach" is in Engineering and why and when it might be used.

### TASK 3

Find out about Greater Manchester's industrial sector, what industries are local and what types of engineering roles they require.

Good luck with your tasks, enjoy your Summer and I look forward to welcoming you to Stockport College in September. Any questions please contact me on [coral.aspinall@tcg.ac.uk](mailto:coral.aspinall@tcg.ac.uk).
