What is Media Make-Up?

Media Make-Up and Hair are services that are provided by highly trained and experienced practitioners. If you want a rewarding career that includes working with people helping to make them look and feel their very best, then the make-up industry is for you. If you have an artistic flair and have an interest in fashion for make-up and hair, our courses will support you to develop the skills to become a professional MUA (Make-Up Artist). Dedication and a strong work ethic within the make-up industry can take you around the world, work within television, film, theatre, advertising and retailing. There are so many opportunities that could come your way once you are qualified.
